

The GSW logo consists of the letters 'GSW' in a bold, white, sans-serif font, centered within a dark blue rounded square.

RESIDENTIAL

# Residential Electric Water Heaters

## Hot water right when you need it!

Designed to meet all your water heating needs, the GSW line of residential electric water heaters provides the optimum in reliability, performance and energy efficiency. With unique and patented special features and a broad range of models and sizes, there is a GSW product to suit any application. Manufactured by GSW, a global leader in water heaters, our complete line of electric water heaters includes leading brand names like SpaceSaver® compact models and Comfort Smart top-entry models.

### High Quality Features

- Patented TankSaver® design
- Glass-lined tanks for longer life
- Removable anodes
- Meets latest energy efficiency regulations
- Factory-installed plastic-lined nipples
- Galvanized bottom pan protects water heater from corrosion
- Patented Styropour® base for added energy efficiency
- Tamper-resistant drain valve
- Thermostatically controlled long life elements
- Durable textured finish
- CFC-free foam insulation

### Exclusive, Patented Innovation

The exclusive and patented TankSaver® design works to prolong tank life. TankSaver® impedes corrosion by guarding metal tank openings from exposure and keeping them watertight. The durable construction virtually eliminates rust.
